ANALYSIS: (Attach a separate page if necessary)

House Bill 103 would require that claims against the state be tried by a court without a jury. Court records and information from the Department of Law show that over the past five years there have been an average of roughly four jury trials a year where the state was a defendant. Court records also show that the average jury trial costs the court \$4,000 in jury fees, travel, meals and lodging. This fiscal note reflects the average yearly jury costs that would be saved by passage of this bill.
